### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the financial statements of **Zawia 2 Owners Association** (the “**Association**”), which comprise the statement of financial position as at 31 January 2018, and the statements of comprehensive income, changes in equity and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at 31 January 2018, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants (IESBA Code)*, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Responsibilities of the Board of Directors for the Financial Statements**

The Board of Directors is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, and for such internal control as the Board of Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

#### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# Notes to the financial statements

31 January 2018

## 1. Organisation and activities

Zawia 2 Owners Association (the “Association”) is a non-for-profit organisation registered in the Kingdom of Bahrain under registration number 78312501 obtained on 25 February 2015.

The Association is engaged in real estate activities with own or leased property.

The Association’s registered office is situated in the Kingdom of Bahrain.

## 2. Summary of significant accounting policies

### 2.1 Basis of preparation

The Association’s financial statements have been prepared on the basis of historical cost convention. The Association’s financial statements are presented in Bahrain Dinar. All values are rounded to the nearest Bahrain Dinar.

### 2.2 Statement of compliance

The financial statements of the Association have been prepared in accordance with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB).

### 2.3 Standards and amendments not yet effective

Certain new standards, amendments and interpretations to existing standards have been published and are expected to be relevant to the Association but are not yet effective and have not been adopted early by the Association.

- IFRS 9, “Financial Instruments” (effective for annual periods beginning on or after 1 January 2018); and
- IFRS 15, “Revenue from Contracts with Customers” (effective from annual periods beginning on or after 1 January 2018).

Management is currently assessing the impact of the above standards.

### 2.4 Plant and equipment

Items of plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

The cost of the plant and equipment includes the cost of bringing them to their present location and condition. The cost of replacing part of an item of plant and equipment is recognised in carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Association and its cost can be measured reliably. All other costs are recognised in the statement of comprehensive income as expenditure incurred.

*Notes to the financial statements for the year ended 31 January 2018*

Depreciation is recognised on a straight-line basis to write down the cost less estimated residual value of plant and equipment. The estimated useful lives of plant and equipment for the depreciation purpose are as follows:

Equipment	5 years
Furniture and fixtures	5 years
Landscaping	5 years

Gains or losses arising on the disposal of plant and equipment are determined as the difference between the disposal proceeds and the carrying amount of the assets and are recognised in the statement of comprehensive income within 'other income' or 'other expenses'.

If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of an asset, the depreciation of that asset is revised prospectively to reflect the new expectations.

**2.5 Impairment of assets**

The carrying amounts of the Association's assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised when the carrying amount of an asset exceeds its estimated recoverable amount. The recoverable amount is higher of an asset's fair value less costs to sell and value in use. All impairment losses are recognised in the statement of comprehensive income. Impairment losses are reversed only if there is an indication that the impairment loss no longer exist and there has been a change in the estimates used to determine the recoverable amount.

**2.6 Cash and cash equivalents**

For the purpose of statement of cash flows, cash and cash equivalents comprise of cash in hand and bank balances.

**2.7 Provisions**

Provisions are recognised by considering an obligation of the Association as on date resulting from past events, and where it is probable that such obligation will result in outflow of economic resources and amount can be reliably estimated.

**2.8 Revenue recognition**

Revenue consists of service charges to the Association and is recognised on accrual basis.

**2.9 Other income**

Other income is recognised on an accrual basis or when the Association's right to receive payment is established.

*Notes to the financial statements for the year ended 31 January 2018*

2.10 Financial instruments

Financial assets and liabilities are recognized when the Association becomes a party to the contractual provisions of the financial instruments.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred.

A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

Financial assets and financial liabilities are measured initially at fair value plus transactions costs.

Financial assets and liabilities are measured subsequently as described below:

a. Financial assets

For the purpose of subsequent measurement, financial assets are classified into the following categories upon initial recognition:

**Loans and receivables.** Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial recognition these are measured at amortised cost using the effective interest method, less provision for impairment. Discounting is omitted where the effect of discounting is immaterial. The Association's cash and cash equivalents, accounts and other receivables all into this category of financial instruments.

b. Financial liabilities

Financial liabilities are measured subsequently at amortised cost using the effective interest method, except for financial liabilities held for trading or designated at fair value through profit or loss, that are carried subsequently at fair value with gains or losses recognised in the statement of comprehensive income. The Association's financial liabilities include accruals and other payables.

2.11 Significant accounting judgments and estimates

The Association's financial statements prepared under IFRS require the Association to make judgments and estimates that affect the amounts reported in the financial statements and related notes. Future events may occur which may cause the judgments and assumptions used in arriving at the estimates to change. The effects of any change in judgments and estimates are reflected in the Association's financial statements as they become reasonably determinable.

a. Use of estimates

The key assumptions concerning the future and other key sources of estimation uncertainty at the financial position date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

**Useful lives of depreciable assets.** Management reviews the useful lives of depreciable assets at each reporting date. At 31 January 2018, management assesses that the useful lives represent the expected utility of the assets to the Association. The carrying amounts are analysed in Note 3. Actual results, however, may vary due to technical obsolescence.

*Notes to the financial statements for the year ended 31 January 2018*

## 3. Plant and equipment

	Equipment	Furniture and fixtures	Landscaping	2018 Total	2017 Total
	BD	BD	BD	BD	BD
<b>Cost</b>					
At 1 February	41,342	1,044	2,745	45,131	20,910
Additions	25,470	232	-	25,702	24,221
At 31 January	<b>66,812</b>	<b>1,276</b>	<b>2,745</b>	<b>70,833</b>	<b>45,131</b>
<b>Accumulated depreciation</b>					
At 1 February	9,304	450	1,284	11,038	3,929
Charge for the year	11,689	213	549	12,451	7,109
At 31 January	<b>20,993</b>	<b>663</b>	<b>1,833</b>	<b>23,489</b>	<b>11,038</b>
<b>Net book value</b>					
At 31 January 2018	<b>45,819</b>	<b>613</b>	<b>912</b>	<b>47,344</b>	-
At 31 January 2017	<b>32,038</b>	<b>594</b>	<b>1,461</b>	-	<b>34,093</b>

## 4. Accounts and other receivables

	2018 BD	2017 BD
Accounts receivables	70,260	57,297
Prepayments	545	545
Advances to suppliers	-	600
	<b>70,805</b>	<b>58,442</b>

Accounts receivables include BD12,797 which is outstanding for more than 1 year, out of which BD12,139 is under litigation. However, management is of opinion that these receivables are fully recoverable and hence no provision has been made in these financial statements.

All other amounts are short term. The carrying value of accounts and other receivables are considered to be a reasonable approximate of fair value at the financial position date. The age of accounts and other receivables past due but not impaired is disclosed in Note 11e.

## 5. Cash and cash equivalents

	2018 BD	2017 BD
Cash in hand	9,306	11,401
Bank balances	5,255	15,091
	<b>14,561</b>	<b>26,492</b>

There are no restrictions on bank balances at the time of approval of these financial statements.

Bank account with Bank of Bahrain and Kuwait in the amount of BD155 (2017: BD1,286) is in the name of two Directors and held for beneficial interest of the Association.

*Notes to the financial statements for the year ended 31 January 2018*

## 6. Accruals and other payables

	2018 BD	2017 BD
Accruals and other payables	<u>26,243</u>	<u>32,095</u>

The carrying values of accruals and other payables are considered to be a reasonable approximate of fair values at the financial position date.

## 7. Service income

	2018 BD	2017 BD
Service income	184,567	170,637
Chillers income	15,155	18,578
Others	1,222	200
	<u>200,944</u>	<u>189,415</u>

## 8. Other income

	2018 BD	2017 BD
Rental income	<u>7,920</u>	<u>9,060</u>

Other income represents the rental income for the space given on rent to Nuetel Communications.

## 9. General and administrative expenses

	2018 BD	2017 BD
Electricity charges	96,168	74,469
Building maintenance expenses	59,935	59,064
Repairs and maintenance	15,197	19,893
Insurance	1,750	1,776
Legal and professional charges	2,179	1,300
Miscellaneous expenses	1,649	1,386
	<u>176,878</u>	<u>157,888</u>

## 10. Related parties transactions

The Association's related parties include its Directors, key management, their close relatives and businesses under their control. The Association's transactions with related parties are in the ordinary course of business. The balances with related parties at financial position date have been disclosed in the financial statements.

## 11. Financial assets and liabilities and risk management

The Association's principal financial instruments comprise of cash and cash equivalents, accounts and other receivables, accruals and other payables.

The Association does not actively engage in the trading of financial assets for speculative purposes nor does it write options.

The main risks arising from the Association's financial instruments are cash flow interest rate risk, liquidity risk, foreign currency risk and credit risk. The Board of Directors reviews and approves the policies for managing each of these risks, which are summarized below.

## a. Interest rate risk

The Association's policy is to minimize cash flow interest rate risk exposures on long-term financing. The Association is not exposed to the risk for changes in market interest rates since the Association does not have interest bearing financial assets and financial liabilities.

## b. Liquidity risk

Liquidity risk is the risk arising from the Association not being able to meet its obligations. The Association's objective is to maintain a balance between continuity of funding and flexibility through the use of cash and cash equivalents.

The following table shows the maturity profile of financial liabilities as at 31 January 2018:

<b>Particulars</b>	<b>Due within 1 year BD</b>
Accruals and other payables	<b>26,243</b>

The following table shows the maturity profile of financial liabilities as at 31 January 2017:

<b>Particulars</b>	<b>Due within 1 year BD</b>
Accruals and other payables	<b>32,095</b>

## c. Foreign currency risk

The Association's primary exposure to the risk of changes in foreign currency relates to the transactional currency exposures. Such exposure arises when the transaction is denominated in currencies other than the functional currency of the operating unit or the counterparty.

The currency risk on foreign currencies is actively monitored by the Board of Directors. The Association's transactions are predominantly in Bahrain Dinars.

*Notes to the financial statements for the year ended 31 January 2018*

## d. Credit risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the Association. The Association trades only with recognized, creditworthy third parties.

The table below shows the gross maximum exposure to the Association's credit risk, without considering the effects of collateral, credit enhancements and other credit risk mitigation techniques as at 31 January:

	2018 BD	2017 BD
Accounts and other receivables	70,260	57,297
Bank balances	5,255	15,091
	<b>75,515</b>	<b>72,388</b>

## e. Credit quality per class of financial asset

The Association continuously monitors defaults of customers and other counterparties, identified either individually or by group, and incorporate this information into its credit risk controls.

Where available at reasonable cost, external credit ratings and/or reports other counterparties are obtained and used. The Association's policy is to deal only with creditworthy counterparties.

The Association's management considers that all the above financial assets that are past due but not impaired for each of the reporting dates under review are of good credit quality.

The table below shows the age analysis of the Association's financial assets as at 31 January 2018:

Particulars	Neither past due nor impaired	Past due but not impaired more than 1 year	Total
	BD	BD	
Accounts and other receivables	57,463	12,797	70,260
Bank balances	5,255	-	5,255
	<b>62,718</b>	<b>12,797</b>	<b>75,515</b>

The table below shows the age analysis of the Association's financial assets as at 31 January 2017:

Particulars	Neither past due nor impaired	Past due but not impaired more than 1 year	Total
	BD	BD	
Accounts and other receivables	43,478	13,819	57,297
Bank balances	15,091	-	15,091
	<b>58,569</b>	<b>13,819</b>	<b>72,388</b>

*Notes to the financial statements for the year ended 31 January 2018*

## 12. Capital management policy

The primary objective of the Association's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximize Association's value.

The Association monitors capital using capital to overall financing ratio, which is capital divided by overall financing.

	2018 BD	2017 BD
Accumulated fund	106,467	86,932
Less: Cash and cash equivalents	(14,561)	(26,492)
Capital	<u>91,906</u>	<u>60,440</u>
Accumulated fund	106,467	86,932
Overall financing	<u>106,467</u>	<u>86,932</u>
Capital to overall financing ratio	<b>0.86</b>	<b>0.69</b>

## 13. Post-reporting date events

No adjusting or significant non-adjusting events have occurred between the reporting date and the date of authorization.

## 14. Comparative figures

Comparative figures for the previous year have been reclassified/re-arranged wherever necessary to conform to the presentation in the current year's financial statements.
